PROFILE

I Possess a solid foundation in programming, data science and database management systems. I have successfully applied Audio Toolbox in MATLAB includes audio synthesis, visualization, processing and recognition. Skilled in effective communication and multitasking, I am seeking an entry-level position to apply my diverse skill set and contribute to the success of the team while embracing opportunities for personal and professional growth.

TECHNICAL SKILLS

Programming Languages:
Java, C
HTML,CSS,JavaScript

Communication Skill, Problem
Solving, Detail Oriented,
MS Office

Database Management Systems:
MYSQL,PostgreSQL

PROJECT WORKS

Portfolio Website using React Components

Crafted a dynamic portfolio website utilizing React.js and SCSS, ensuring seamless responsiveness across devices. Implemented modern design principles and intuitive user experience for enhanced interaction. Leveraged React components for efficient development and easy maintenance. Customized styles with SCSS to achieve a polished and professional look.

Music Composition using Piano key Frequency

Created a music composition using MATLAB, leveraging piano key frequencies for precise tonal accuracy. Utilized MATLAB's signal processing capabilities to synthesize harmonious melodies with intricate frequency modulation.

EDUCATION

Bachelor of Engineering - CSE

S.A.Engineering College **CGPA: 8.7** 2020-2024

HSC

Bentinck Hr. Sec. School **Percentage: 86** 2018-2020

SSLC

J.M.Matriculation School **Percentage: 93** 2017-2018

CERTIFICATIONS

Java Essential Training

Completed basics of OOPS concepts in java programming

Advanced Java Programming

Completed Generics, Streams, Lamdas, working with I/O,
Managing files & directories.

SQL Essential Training

Completed SQL essentials using MYSQL management system

Soft Skills and Aptitude Skills

Completed a training in development of Interpersonal Skills

Languages: English, Tamil
